Commissioner for Patents

The reply filed on 9/2/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants attention is drawn to the previous objection to the specification for failing to comply with the requirements of 37 CFR 1.821 through 1.825 for the reason(s) set forth: The application does not contain a complete paper copy of the sequence listing as required. Applicants comments in the previous response, regarding a "sequence listing being submitted under a separate cover" are acknowledged, however, as two and one half months have passed since applicants response and still the instant application is missing a sequence listing, applicants response is considered not fully responsive and thus non-responsive. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard G Hutson whose telephone number is (703) 308-0066. The examiner can normally be reached on 7:30 am to 4:00 pm, M-F. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ponnathapu Achutamurthy can be reached on (703) 308-3804.
